

## Wednesday Workshops

Written by Administrator

Friday, 12 August 2011 19:10 - Last Updated Thursday, 29 November 2012 08:35

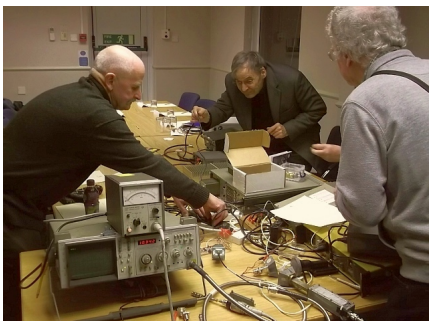

---

These are specialist sessions where small groups of 5-10 Members work on a particular topic in more detail, and are usually held on Wednesday evenings.

Here are the subjects for 2012:

Date	Topic
25-Jan-2012	Contest logging with the <i>Minos</i> program, with M0ICK & G6
22-Feb-2012	CW Workshop, with G4HGI & G0CTO
14-Mar-2012	CW practice session
27-Sep-2012	Microwave recipes: projects for the 3, 6, 9 & 13cm bands
24-Oct-2012	"Pocket-money SDR" and APRS, with G6GVI
28-Nov-2012	More Tests & Measurements, with G8DTF & G4MVU

And these are the topics which we tackled in 2011:
